

JUNE 6-7, 2024, WARSAW

INTERNATIONAL AgriMBA NETWORK CONFERENCE

under the theme:

The Role of creative and digital learning in the green transition of Agribusiness

Organised within the cycle of:

**ESARE - Economic Sciences for Agribusiness
and Rural Economy Conference**

Conference aims

This session is designed to create a platform of discussion about role of **creative and digital learning in green transition of agribusiness** and showcasing innovative practices in digitalization of agribusiness education from across Europe and various academic and non-academic stakeholders. Its goal is to raise awareness of innovative approaches, fuel the exchange of ideas and experiences, and create the potential to foster farm business and rural development through digital innovations in education and training.
